How the job gets *done!*

SALES AND RENTALS

Certified Mining and Construction Sales and Rentals specializes in niche market products. With one of the largest selections of mining equipment and tools for rent or sale in Saskatchewan, you can be assured that we will have the right piece of equipment for the job. Unlike our competition, all of our equipment comes underground ready.

We pride ourselves with the availability of rental tools and equipment for rent by the day, week or month. Certified rents to suit your company's needs. Once rented we will arrange with you to have your equipment transported to job site within 24 hours. If ever a problem occurs with your equipment, we service what we rent or sell. We offer on-site after-hours emergency customer support. If we can't get to you we will bring the equipment back to Certified to repair or replace with as little delay as possible. At Certified we will always go that extra mile for our clients.

INSPECTION, REPAIR & RECERTIFICATION SERVICES

We specialize in the inspection and repair of mining and construction tools and equipment. We can inspect and repair: Air Tuggers(Winches) , Chain Hoists(manual, electric & air), Lever Hoists, Kubota Man Carriers, Drills(All makes and Models), and Underground Heavy Equipment. If you use it we can fix it. We will provide a test certificate and/or detailed work order for every piece of equipment we inspect and/or repair. Certified is the number one choice in Saskatchewan for pull testing recertifications.

OUR CLIENTS AND PARTNERS

Certified has rented and sold equipment to mine and construction sites across North America and Worldwide. Yet Certified continues to have strong ties and working relationships to our local Potash Mines in Saskatchewan. Many of Certified's underground ready equipment can be found in mines owned by such companies as Nutrien, Mosaic and BHP(Jansen) to name a few. Our partners(clients) have the peace of mind knowing that Certified only carries the top equipment brands , ensuring high reliability along with Certified's unparalleled service. We are currently exclusive distributors for the following companies: Aramine, J.D. Neuhaus, Vitali, Thern, 3M, Multiquip, Campo, Axion Lighting, Tuff Built, Superchute, and Wacker Neuson. We are also sub-distributors for the following companies: Greenlee, Monark, Genie, Kito and PHQ Global. We are continually looking at ways to expand our product lines in regard to what we can offer to our cliental.

MECHANICAL SERVICES

Certified Mining and Construction, Sales and Rentals has a fully licensed mechanical shop which includes: Journeyman Heavy Equipment Mechanics, Journeyman Millwrights, Journeyman Automotive Technician and Recertification Technicians. We also have at our disposal , Industrial Electricians and an Engineering Department. Certified provides in shop or on-site mechanical services for equipment rentals. We also provide full range of mechanical services for customer's equipment. No job is too big or too small we service them all.
